## *My Home Town First*

A creed for the home-loving citizen

### **I BUY AT HOME**

- because my interests are here.
- because the community that is good enough for me to live in is good enough for me to buy in.
- because I believe in transacting business with my friends.
- because I want to see the goods.
- because I want to get what I buy when I pay for it.
- because every dollar I spend at home works for the community in which I live.
- because the man I buy from stands back of the goods.
- because I sell what I produce here at home.
- because here I live and here I buy.
- because the man I buy from pays his part of the town, county, and State taxes.
- because the man I buy from helps support my school, my lodge, my church, my home.
- because when ill luck, misfortune, or bereavement comes, the man I buy from is here with his kindly greetings, his words of cheer, and his pocketbook, if need be.
